Education

Illinois Institute of Technology – Chicago, IL

- Expected to graduate in December 2019
- Working towards Bachelor's and Master's Degree in Co-terminal Computer Science Program

Victor J. Andrew High School – Tinley Park, IL

- Graduated in 2015 with an emphasis on Mathematics in the top 1% of my class
- Served as President of the Math Honors Society and E-sports Club

Experience

Relevant Coursework

- Object Oriented Programming
- Data Structures and Algorithms
- Database Organization
- Computer Organization and Assembly
- Operating Systems
- Introduction to Algorithms

Personal Projects

Game Development

- Designed and developed Soccer Bars, a single player game with networking, in Fall of 2015
- Utilized the LibGDX framework and the full stack for the game and its accompanying website
- Continued to program games in my spare time, including Tetris and Internet Chess

E-sports Club Management

- Founded the VJA Smash Society, a gaming club focused around E-sports for high school and college students to compete and grow as individuals and teams
- I have held the responsibilities of planning, branding, and live-streaming events, designing and maintaining our website and community outlets, and integrating with my high school

Technical Skills

- **Web Development:** HTML5/CSS3/JS, Bootstrap, JQuery, PHP
- **Programming Languages:** Java, C / C++, C#, Python
- **Operating Systems and VCS:** Windows, Linux, Git, Microsoft TFS

Languages

Polish – Native / Bilingual

- Graduated from Jan Brzechwa Polish School in 2011 with Excellence

Spanish – Limited Working Proficiency

- Completed Honors Spanish 4 and scored in the 86th percentile on the National Spanish Exam
