# The Famous Puzzler Rallye

Chicago's most spectacular road rallye event. The Famous Puzzler takes you on a journey of the senses, mind and imagination. For Example:

How many words can you make out of the following word? **DOWN**

If you are running in a race and you pass the guy in second place, what place are you in? The diagram TO THE RIGHT is a well known saying. Can you figure it out?

## No complicated general rules

You solve a puzzle, then drive to the point on the map with the corresponding number of the puzzle answer. Once there you look for hidden clues. The one that gets the most puzzles and clues correct wins! A first time rallyist won one year! So everyone has a legitimate chance!

Always one of the biggest attendance rallyes of the year. Don't worry about not being a puzzle expert, the puzzles have varying degrees of difficulty, but include plenty of easy ones. Grab a friend or a group and come on out!

Due to COVID-19 considerations, endpoint facilities might not be available. In that case you can pick up food and eat it in your car from GARIBALDI's or use the drive throughs at Buonoa Beef, McDonalds or across the street at Steak and Shake. Or just go home and wait for the results to be posted on the web site. We will announce the winners via an FM radio connection and do the driver's meeting the same way. So park near the registration car, which will be located in a central location.
